

Draycote Fun Run 2017!

On Thursday 22nd June 2017 the CiM6 Framework hosted their annual 'Summer Sponsored Fun Run'. This year the Framework decided to raise money and awareness for Costain's chosen charity of the year, Cancer Research.

The evening consisted of a 10K race or walk around Severn Trent's Draycote Reservoir and of course a BBQ for socialising after!

CiM6 spread the word months before the event, inviting their; client, employee's, OSC partners, sub-contractors and any family and friends.

The weather was on its best behaviour and the team put on a brilliant show. Jim Coclough (SHE Advisor for CiM6) has especially put in extra hard work to make sure the event ran smoothly and to provide us all with information on the charity.

With over 40 people exhausted from running 10k or, stuffed from eating a burger the evening was a success and we would like to thank all that were involved in the; organising, taking part and donating to this event. Same again next year! ☺

CiM6 have managed to raise nearly £1,000 for Cancer Research. You can still donate to their JustGiving Page.
